

LIMITED WARRANTY

OCB by Elite warrants the quality of its products to be free of defects in material and craftsmanship.

Nickel finishes are warranted for one year as evidenced by the purchaser's receipt.

Polished Copper and Polished Brass will naturally patina as a matter of course, but readily restored to its original luster by polishing with commercially available copper polishes.

Antique Copper Patina and Antique Brass finishes are created by a classic Old World patina process that will develop even more interest and individual distinction with age.

Care and maintenance instructions are included with every sink. Product problems as a result of inappropriate or improper installation, the consequences of uses for which these products are not designed, failure to maintain normal maintenance, hard water or accidental damage are not covered by this warranty.

This warranty is limited to the repair or replacement only of defective parts that are returned (shipping charges prepaid) to Oregon Copper Bowl and are determined by the Company to be defective. The purchaser shall have the obligation to inspect the product immediately upon receipt, and before installation, to check for defects and to determine if damage has resulted from shipment, in which case the purchaser's remedy is against the carrier.

Products will not be accepted for repair or replacement under this limited warranty unless prior authorization has been given for their return.
